MC Squared Residential Retreat Testimonials

I have assisted in teaching his courses for over ten years. As a result, I have witnessed countless miracles of manifesting and healing that go beyond logic and move into the realm of the magical.

When I say that part of my MC2 experience involved tapping into psychic power to perform healing, control dice throwing, bend spoons, light up a light bulb, and germinate seeds spontaneously in the palm of my hand, you may have various reactions: astonishment, disbelief, awe, curiosity, doubt, or judgment. My final attitude was a combination of awe, joy, and profound gladness and gratitude for the opportunity to share this awakening, living dream.

Great program to learn to open your heart to learn and accept manifesting and abundance.

This program offers much more than what is in the description. Not only did I get validation that PK is real by bending a spoon and lighting a light bulb, but I learned many tools to use in my life. I was able to release a lot of my fears and beliefs that have been holding me back. By learning how to connect my heart with source, I experienced unconditional love, over and over.

Pick your best set of positive adjectives to describe this course. They all fit. It provided the setting where I received validation of contacting my wife who had crossed over ten months previously.

Great opportunity to heal body health concerns and manifest my heart's dreams.

Monroe programs are the best in the field. I think you get what you need. My seeds were not growing faster but I had some very deep spiritual experiences and I managed to bend my fork!
